### **AUS Sponsorship:**

  - **Correspondent lender must request sponsorship through FNMA.** Cornerstone can authorize, but not request sponsorship. Correspondent lender will need to select Cornerstone in the DO drop-down when running a loan to be submitted to Cornerstone for purchase.
- LP Sponsorship
  - CHL does not have to approve sponsorship. Correspondent lender will need to select Cornerstone in the CO drop-down when running a loan to be submitted to Cornerstone for purchase.

### **Correspondent Lender understands and acknowledges the following:**

- In the case of delegated underwriting authority, sponsorship does not make Cornerstone responsible, in any way, for an underwriting decision rendered by the Correspondent Lender.
- Any and all representations and warranties, per the CHL Correspondent Lending Loan Policy Manual remain in full effect; including, but not limited to, Early Payoff, Early Payment Default and Repurchase.
- Correspondent Lender will make every effort to use CHL DO and/or LP Sponsorship **ONLY** on loans which are intended to be sold to CHL. Misuse of sponsorship (i.e. using sponsorship on loans intended to be sold to an investor other than CHL), may result in fees to the Correspondent Lender.
